

PERSONAL INFORMATION Andris Sternberg

## WORK EXPERIENCE

from 1999	<u>Director</u> Institute of Solid State Physics, University of Latvia
from 1984 - to 1999	<u>Head of the Department</u> of Ferroelectric Physics of the Institute of Solid State Physics, University of Latvia
(from 1982 – to 1984	<u>Head of the Laboratory</u> of Electrooptics, Institute of Solid State Physics, University of Latvia

## EDUCATION AND TRAINING

from 2005	<u>Full member</u> Latvian Academy of Science
from 1999	<u>Dr.hab.phys.</u> University of Latvia
from 1978	<u>Dr.phys.</u> University of Latvia

## ADDITIONAL INFORMATION

Professional Interests	Radiation effects in dielectric materials (ceramics, thin films). Plasma physics. Materials for tentative application in ITER. Nanotechnologies and nanomaterials. Governing Board member from Latvia of Fusion for Energy.
Projects	None
Memberships	None
Publications and Patents	None
Other Relevant Information	Member of EUROfusion General Assembly from Latvian EUROfusion organization Institute of Solid State Physics, University of Latvia (ISSP UL)
