

FUSION FOR ENERGY

The European Joint Undertaking for ITER and the Development of Fusion Energy

THE GOVERNING BOARD

Call for expressions of interest for external experts to be appointed to the Technical Advisory Panel of Fusion for Energy

Summary

Fusion for Energy, the European Union's Joint Undertaking for ITER and the Development of Fusion Energy, is organising a call for expressions of interest to appoint several new members of its Technical Advisory Panel.

1. Fusion for Energy

Fusion for Energy (F4E) is the European Union's Joint Undertaking for ITER and the Development of Fusion Energy. The main task of F4E is to provide Europe's contribution to international ITER project which aims to demonstrate fusion as a viable and sustainable source of energy.

F4E was established by established Council Decision (Euratom) No 198/2007 for a period of 35 years starting on 19th April 2007 and has its headquarters in Barcelona, Spain. The tasks of F4E are as follows:

- (a) to provide the contribution of the European Atomic Energy Community (Euratom) to the ITER International Fusion Energy Organisation;
- (b) to provide the contribution of Euratom to Broader Approach Activities with Japan for the rapid realisation of fusion energy;
- (c) to prepare and coordinate a programme of activities in preparation for the construction of a demonstration fusion reactor and related facilities including the International Fusion Materials Irradiation Facility (IFMIF).

2. The Role and Composition of the Technical Advisory Panel

The Technical Advisory Panel (TAP) assists the GB and F4E Director in engineering, scientific and technological matters related to ITER, the Broader Approach and preparations for demonstration fusion reactors (hereinafter "DEMO"), in particular by:

- (a) Preparing opinions and recommendations on the objectives and content of the project plan, work programme and their possible revisions;
- (b) Monitoring the technical implementation of the project plan and work programmes and providing reports to the GB at appropriate intervals;

- (c) Promote coherence with the activities of the European Fusion Laboratories (EFLs), in particular, within the frame of EUROfusion;
- (d) Providing advice or recommendations on specific engineering, scientific and technological issues upon request of the F4E Director or the GB;
- (e) Performing any other functions as may be delegated to the by the GB.

The TAP is composed of 13 members appointed by the GB from among persons of recognised standing and professional experience in engineering, scientific, and technical matters relevant to ITER, the Broader Approach and DEMO (see [here](#) for further information).

The term of office for members of the TAP is two years renewable. The TAP Chair and Vice-Chair are appointed by the GB for a period of two years, renewable once and the former is expected to attend meetings of the GB.

Rule 1 of the TAP's rules of procedure stipulates that the TAP members shall not be bound by any instructions and that they shall be completely independent in the performance of their duties, in the general interest of F4E.

The TAP meets from two to four times per year usually at the headquarters of F4E in Barcelona, Spain.

All documents and reports of the TAP are drafted in English, which is the working language of the TAP. The TAP adopts its rules of procedure subject to the prior approval of the GB.

3. Purpose of the Call for Expressions of Interest

Pursuant to Rule 1(4) of the [rules of procedure](#) several members of TAP are due to be replaced. F4E is therefore publishing this call for expressions of interest to establish a reserve list from which new TAP members may be appointed by the GB and be ready to start their participation in New Year 2016.

4. Selection Criteria

The GB is inviting expressions of interest from:

Experts of recognized standing and professional experience in engineering, scientific, and technical matters relevant to ITER, the Broader Approach and DEMO in particular for one or more of the following areas:

- Civil engineering;
- Tokamak machine design;
- Superconducting cables and magnets;
- General mechanical engineering;
- Nuclear pressure vessels;
- Complex welded structures;
- Components subjected to high heat loads;

- Remote handling systems;
- Plasma diagnostics;
- Plasma engineering;
- Heating and current drive systems;
- Instrumentation & data acquisition;
- Materials testing;
- Nuclear safety;
- Tritium technology;
- Cryogenic technology;
- Vacuum technologies and components.

To this end, in order for TAP to be able to cover an as broad as possible field of expertise, applications shall be submitted to a comparative process carried out by the GB's selection committee described below in particular on the basis of the following selection criteria:

- An in depth knowledge and experience of at least one of the above-mentioned areas will be considered essential;
- A Ph.D. or equivalent post-graduate qualification in engineering, physics or equivalent will be considered advantageous;
- Knowledge of technical and engineering aspects of the ITER project and of related activities will be considered advantageous;
- Professional experience in a multidisciplinary environment, preferably in an international context will be considered to be advantageous;
- Very good proven written and oral communication skills in English and experience of participation in meetings of experts and committees will be considered essential.

5. Selection Process

A selection committee established by the GB, chaired by the GB Chair or Vice-Chair and also composed of the TAP Chair and Vice-Chair, will review the expressions of interest and draw up a short list of the most suitably qualified experts that are deemed to adequately possess qualities referred to in the previous paragraph. The short list will be drawn up to cover, as far as possible, in a balanced way the needed competences, and will be transmitted to the GB.

6. Appointment, terms and reserve list

In accordance with to Article 6(3)(q) of the Statutes annexed to the Council Decision (Euratom) No 198/2007 as last amended by Decision 2015/224 of 13 February 2015, the GB will appoint the TAP members by simple majority from among those experts in the short-list. TAP members are appointed by the GB in a personal capacity and therefore cannot delegate their responsibilities to another member or a third party.

Experts who are not appointed as members of the TAP nor discarded in the selection may be retained on a reserve list. The experts on this reserve list may be invited to fill the position of TAP members who resign or become otherwise incapacitated. However, inclusion in the reserve list does not create an entitlement to become a member of the TAP. The reserve list shall be valid for a period of two years from its approval; its validity can be extended until a new call for expressions of interest is published.

7. Reimbursement of Expenses

Travel and hotel accommodation costs incurred by members of the TAP in connection with meetings relating to their mandate shall be reimbursed in accordance with the F4E rules for the reimbursement for experts. TAP members shall also be entitled to a daily subsistence allowance which currently stands at EUR 87 per meeting day.

8. Independence and declarations of commitment and interest

The appointment of TAP members shall be subject to the provision of declarations where they commit to act independently of any external influence and to be guided by the interest of F4E and to comply with rules of confidentiality. To this effect, prior to commencing their participation, TAP members shall provide the declarations laid down in

[http://fusionforenergy.europa.eu/downloads/aboutf4e/meetings/F4E\(15\)-GB32-16.2-Revised_Col_Rules.pdf](http://fusionforenergy.europa.eu/downloads/aboutf4e/meetings/F4E(15)-GB32-16.2-Revised_Col_Rules.pdf)

9. Handling of personal data in the context of this call for expressions of interest

All personal information on candidates shall be processed by F4E in pursuant to Regulation (EC) 45/2001 of the European Parliament and of the Council of 18th December 2000 concerning the protection of individuals with regard to the processing of personal data by the Community institutions and bodies, and on the free movement of such data¹.

Identity of the Data Controller

Susana Clement, Secretary of the TAP, is identified as the controller for the processing of personal data related to the selection procedure based on this call for expressions of interest.

Purposes of the processing operation

The purpose of the processing is to organise a selection of up to 13 TAP members and to establish a reserve list - all personal data shall be processed solely for this purpose.

¹ OJ L 8, 12.1.2001, p. 2.

Legal basis

- Council Decision of 27th March 2007 establishing the European Joint Undertaking for ITER and the Development of Fusion Energy and conferring advantages upon it - 2007/198/Euratom as last amended by Decision 2015/224 of 13 February 2015 and the Statutes annexed to the Decision, in particular Articles 6(3)(q) and 9.

Lawfulness of the processing

In accordance with Article 5 (a) and (d) of Regulation (EC) 45/2001, the processing of the personal data is necessary for the performance of F4E tasks carried out in the public interest on the basis of Council Decision (Euratom) No 198/2007 and in the legitimate exercise of official authority vested in F4E and in a third party to whom the data are disclosed and the data subject has unambiguously given his/her consent for the processing.

Data concerned

The data concerns personal generic data that is requested to be provided in a Motivation Letter and CV, the latter recommended to follow the model European CV. Candidates are free to give their data on a voluntary basis.

Categories of data

- Personal identification details – information provided by the candidate to allow themselves to be identified and contacted by F4E (e.g. surname, first name, date of birth, gender, address, email address).
- Selection criteria information – information provided by the candidate to distinguish their suitability and eligibility for the TAP (e.g. education history, training and professional experience, languages spoken and other related details).

Recipients of the data processed

For the purposes of the drawing up the shortlist, information provided by the candidates for the selection procedure will be disclosed to the following:

- Secretary of the TAP;
- Chair of the GB;
- Vice-Chair of the GB;
- Chair of the TAP;
- Vice-Chair of the TAP;
- Assistant to the Secretary of the GB.

The personal data of the shortlisted individuals shall then be transmitted to the officially nominated Representatives of the GB Members (EU Member States, Switzerland and Euratom). The personal data

shall be marked as “Restricted” and the recipients shall be asked to comply with the declarations they have signed concerning confidentiality;

Also, if appropriate, access may be given to:

- Internal Auditor and the Court of Auditors (for audit purposes);
- Legal Advisor of F4E;
- OLAF;
- European Ombudsman;
- Court of Justice of the European Union.

Date when the processing starts

Processing of the personal data shall commence on the date of the closure of this call for expressions of interest.

Time limits for storage

The personal data of those persons who are not shortlisted shall be discarded one year after the selection process closes. The personal data of those persons who are shortlisted but not appointed by the GB shall be retained in a reserve list for an initial period of two years as described in the second paragraph of section 5 above and afterwards, for two years from the day of the expiry of the reserve list validity. In the case of successful candidates: data will be kept for five years following the expiry of the mandate of the TAP member. All paper files will be destroyed immediately following the nomination of successful candidates.

Right of access and rectification

Candidates have a right to access their data and to update their identification data by contacting the email address provided in the call for expression of interest before the deadline for submission of the applications elapses. After the deadline for applications has elapsed, this right will be limited to the rectification of identification details and contact information only. Candidates have the right to obtain from the F4E the blocking of data. If a candidate contests the accuracy of his/her data, F4E will immediately block the data. In cases when:

- candidate requires data be blocked because he/she considers the processing unlawful, or
- when data is no longer needed by F4E for the accomplishment of its tasks but may have to be blocked for purposes of proof,

the decision on the blocking will be taken by F4E as soon as possible and in any case not later than within 15 working days from the day the candidate’s request reached F4E or the day when the F4E’s need of the data ceases.

Candidates shall have a right to recourse at any time to the European Data Protection Supervisor (EDPS) edps@edps.europa.eu.

Publication

The names of the TAP Chair, Vice-Chair and members appointed by the GB shall be published on F4E's website and in F4E's Annual Report.

10. Application procedure

Applicants are invited to submit a one-page letter expressing their interest accompanied by a CV. The model European CV (recommended) can be downloaded [here](#).

Applications shall be submitted no later than 31 October 2015 (the date of receipt shall be taken as a proof). Applications are to be sent via e-mail to the following address:

TAP-Candidates@f4e.europa.eu

Applications submitted after the abovementioned deadline or via other means (e.g. via post or fax) shall not be taken into account. Unclear or incomplete applications shall not be considered.

All communication with applicants concerning this call for expressions of interest will be in English.

Applicants must keep the TAP Secretariat (Susana.Clement-Lorenzo@f4e.europa.eu) informed in writing of any change in their situation or address without delay, so that their application may be kept up to date.

All candidates applying to this call for expressions of interest shall be informed without delay by email about the outcomes of the selection and appointment process.
