5th October 2016

Call for Expertise No IO/16/CFE/13345/SMS

Diagnostics expertise for Instrumentation & Control & Electrical Services

Dear Madam/Sir,

The ITER Organization intends to identify experts for the above task. The following documents are attached to allow experts (individual or companies) to propose their candidacy:

- Technical Specification Ref. ITER_D_TWR9TV v1.0
- Curriculum Vitae (template)
- Financial Proposal (template)
- Statement of exclusivity and availability
- Confidentiality commitment (to be signed upon contract award)
- General Conditions for ITER Organization Service Contracts (v 2014)

**Contents of the expected proposal:**

- Curriculum Vitae
- Financial proposal
- Statement of exclusivity and availability

**Deadline for submission of proposals:**

7th November 2016 at 17.00h CET

**Address for submission of proposal** (as one single pdf file)

Sophie.Miras@iter.org

**Evaluation:**

Proposals will be evaluated on the basis of best value for money (60% technical, evaluated against Section 10 - Specific Requirements and Conditions of the Technical Specification – 40% price).

The ITER Organization reserves the right to reject any proposal for expert which is not compliant with one of the minimum requirements as stated in Section 10 – Specific Requirements and Conditions of the Technical Specification.

**Expected start date:**

December 2016

Yours sincerely,

Mr William De Cat
Procurement Construction, Assembly & Logistics Section
