11th October 2016

Call for Expertise No IO/16/CFE/13365/SMS

Mechanical, Opto-Mechanical Design Development and Structural Assessment

Dear Madam/Sir,

The ITER Organization intends to identify experts for the above task. The following documents are attached to allow experts (individual or companies) to propose their candidacy:

- Technical Specification Ref. ITER_D_TX6LUD v1.0
- Curriculum Vitae (template)
- Financial Proposal (template)
- Statement of exclusivity and availability
- Confidentiality commitment (to be signed upon contract award)
- General Conditions for ITER Organization Service Contracts (v 2014)

Contents of the expected proposal:

- Curriculum Vitae
- Financial proposal
- Statement of exclusivity and availability

Deadline for submission of proposals:
10th November 2016 at 17.00h CET

Address for submission of proposal (as one single pdf file)
Sophie.Miras@iter.org

Evaluation:
Proposals will be evaluated on the basis of best value for money (60% technical, evaluated against Section 10 - Specific Requirements and Conditions of the Technical Specification – 40% price).

The ITER Organization reserves the right to reject any proposal for expert which is not compliant with one of the minimum requirements as stated in Section 10 – Specific Requirements and Conditions of the Technical Specification.

Expected start date:
Beginning of December 2016

Yours sincerely,

Mr William De Cat
Procurement Construction, Assembly & Logistics Section
