

31st March 2017

**Ref: Call for Expertise No IO/17/CFE/14050/MME
Flow-down and DCM Production**

Dear Sir/Madam,

The ITER Organization requests companies, institutions or other eligible entities to provide their proposal for the provision of services to perform the above named task.
The following documents are attached to you to propose your candidacy:

- Technical Specification ITER_D_UN264M v2.0 dated 20th March 2017.
- Technical Experience Profile (template)
- Financial Proposal (template)
- Statement of exclusivity and availability (to be signed and returned)
- ITER General Contract Terms and Conditions (v 2014)
- IP / Declaration of Background (BIP) information (to be completed, signed and returned)

china

eu

india

japan

korea

russia

usa

Documents required with your proposal:

- Technical Offer & Experience Profile.
- Financial proposal.
- Statement of exclusivity and availability, duly signed.

Deadline for submission of proposals:

28th April 2017 at 16.00h CET

Address for submission of proposals (as one single pdf file):

michael.minihane@iter.org copy to psc@iter.org

Evaluation :

Proposals will be evaluated by an impartial, professionally competent technical evaluation committee of the ITER Organization. A contract will be awarded on the basis of best value for money according to the following:

Technical Content – 100 points weighted by 60%: The tenderer must provide details evidencing their knowledge and experience in the key criteria areas listed below. The evaluation committee will evaluate the information provided in these key areas. No other criteria will be used.

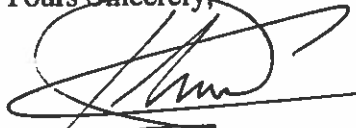

1. Demonstrated experience in System Engineering, especially Requirements management including safety requirements and RAMi Analysis – 25 points.
2. Demonstrated experience in relevant technical subjects i.e. Mechanical Engineering, Vacuum Engineering, I&C Engineering, Electrical Engineering or Nuclear Engineering (an appreciation of complex Diagnostics systems would be advantageous) – 25 points.

3. Experience in application of DOORS software (previous experience of MIR cockpit would be advantageous) – 20 points.
4. Demonstrated experience of Nuclear Projects (Fusion/Fission) – 10 points
5. Experience in Project Controls, specifically Quality/Risk/Cost balance. - 10 points.
6. Proven experience in writing technical reports in English (at least two in the last year) – 10 points.

Financial Offer - 100 points weighted by 40%: The lowest priced financial offer will receive the maximum score of 100 points. All other financial offers will be divided into the lowest priced offer in turn (next highest) providing a score that is inversely proportionate to the price being offered.

The proposal with the best weighted score out of a maximum of 100 points will be deemed to represent the best value for money.

Yours Sincerely,

A handwritten signature in black ink, appearing to read "W. De Cat", written over a horizontal line.

William De Cat.
Section Leader
