**Evaluation :**

Proposals will be evaluated by an impartial, professionally competent technical evaluation committee of the ITER Organization. A contract will be awarded on the basis of best value for money according to the following:

Technical Content – 100 points weighted by 60%: The tenderer must provide details evidencing their knowledge and experience in the key criteria areas listed below. The evaluation committee will evaluate the information provided in these key areas. No other criteria will be used.

1. Design of doors, lifting platform, trolleys, cranes .....30 Points
2. Design of mechanical systems operating in contaminated environment .....25 points
3. Commissioning of heavy handling means in nuclear facilities.....25 Points
4. Design of Radioactive Waste process ..... 10 points
5. Commissioning of Radioactive Waste process .....10 Points

Financial Offer - 100 points weighted by 40%: The lowest priced financial offer will receive the maximum score of 100 points. All other financial offers will be divided into the lowest priced offer in turn (next highest) providing a score that is inversely proportionate to the price being offered.

The proposal with the best weighted score out of a maximum of 100 points will be deemed to represent the best value for money.

Yours Sincerely,

ACTING
