Documents required for your proposal:

- Technical Offer and Management Plan containing the relevant details of how you propose to carry out the work in accordance with the technical specification,
- Technical Experience Profile (see template in Annex 3),
- Financial Proposal (see template in Annex 4),
- Statement of Exclusivity & Availability, duly signed (see template in Annex 5),
- IP / Declaration of background (BIP) information (see template in Annex 6: to be completed, signed and returned).

Deadline for submission of proposals:

Thursday, 22 February 2018 at 16.00 CET

Address for electronic submission of proposal: (as one single pdf file):

Ioannis.Dovas@iter.org copy to psc@iter.org

Evaluation Process & Contract Award:

Proposals will be evaluated by an impartial, professionally competent technical Evaluation Committee of the ITER Organisation. A contract will be awarded on the basis of best value for money according to the following:

Technical Content - 60 Points. The tenderer must provide details evidencing their knowledge and experience in the key criteria areas listed below. The Evaluation Committee will evaluate the information provided in these key areas. No other criteria will be used.

The Evaluation Committee will evaluate the information based on the following criteria:

Number	Criteria	Points
1	Experience in specifying and following up irradiation tests	35
2	Knowledge of irradiation testing facilities	30
3	Profile of the key persons, who will deal with these works	35

Financial Offer - 40 Points. The lowest priced financial offer will receive the maximum score of 100 points. All other financial offers will be divided into the lowest priced offer in turn (next highest) providing a score that is inversely proportionate to the price being offered.

The proposal with the best weighted score out of a maximum of 100 points will be deemed to represent the best value for money.

Special conditions:

- Any resulting service contract shall not exceed 12 months.
- Any results or rights thereon, including copyright and other intellectual or industrial property rights, obtained in performance of the Contract, shall be owned solely by the ITER Organization, which may use, publish, assign or transfer them as it sees fit, without geographical or other limitation, except where industrial or intellectual property rights exist prior to the Contract being entered into force.

The Contractor may request a non-exclusive license to use generated intellectual property which the Contractor may create as a result of the services in the course of the execution of this Contract. The ownership of any background intellectual property will not change unless otherwise agreed by the ITER Organization and the Contractor.

Yours sincerely

A handwritten signature in black ink, appearing to read "William De CAT", written over the typed name.
