Call for Expertise No IO/18/CFE/15903/SMS

Neutronics Analysis of ITER EC Upper Launcher

Dear Madam/Sir,

The ITER Organization intends to identify experts for the above task. The following documents are attached to allow experts (individual or companies) to propose their candidacy:

- Technical Specification Ref. ITER_D_WQC9VW v1.2
- Curriculum Vitae (template)
- Financial Proposal (template)
- Statement of exclusivity and availability
- Confidentiality commitment (to be signed upon contract award)
- General Conditions for ITER Organization Service Contracts (v 2014)

Contents of the expected proposal:

- Curriculum Vitae
- Financial proposal
- Statement of exclusivity and availability

Deadline for submission of proposals:

11th August 2018 at 17.00h CET

Address for submission of proposal (as one single pdf file)

Sophie.Miras@iter.org

Evaluation:

Proposals will be evaluated on the basis of best value for money (60% technical, evaluated against Section 10 - Specific Requirements and Conditions of the Technical Specification – 40% price).

The ITER Organization reserves the right to reject any proposal for expert which is not compliant with one of the minimum requirements as stated in Section 10 – Specific Requirements and Conditions of the Technical Specification.

Expected start date:

Beginning of September 2018

Yours sincerely

Philippe Moursset
p.o. William De Cat
