which form an integral part of this Contract (hereinafter referred to as “the Contract ”).

The terms set out in the Special Conditions shall take precedence over those in the other parts of the Contract. The terms set out in the ITER Organization Service Contract General Conditions (Annex I) shall take precedence over those in the other Annexes. The terms set out in the Technical Specification (Annex II), ITER Organization Internal Regulations concerning work on site (Annex IV) and Contractor Safety Management Procedure related to ITER (Annex V) shall take precedence over those in the Contractor offer (Annex III).

Subject to the above, the documents forming part of the Contract are to be taken as mutually explanatory. Ambiguities or discrepancies within or between these documents shall be explained or rectified by a written instruction issued by the ITER Organization, subject to the rights of the Contractor under Article 33 of the Annex I should the Contractor dispute such instruction.
I – SPECIAL CONDITIONS

ARTICLE I.1 - SUBJECT

I.1.1. The subject of the Contract is the provision of services for Engineering Support to the Area Manager for B11, B14 & B74.

I.1.2. The Contractor shall execute the tasks assigned to him in accordance with the Technical Specifications and Contractor’s offer annexed to the Contract (Annexes II and III respectively).

ARTICLE I.2 – DURATION, ENTRY INTO FORCE AND PERFORMANCE OF SERVICES

I.2.1. The Contract shall enter into force on the date on which it is signed by the last contracting party. Provision of the services may under no circumstances begin before the date on which the Contract enters into force.

I.2.2. The services shall be delivered according to the schedule provided in Article I.4.2. The delivery dates provided in Article I.4.2 shall not be extended without a formal confirmation letter issued by the ITER Organization or written amendment. This extension shall not be considered as a waiver of liquidated damages unless so specifically mentioned in the extension.

I.2.3. All periods specified in the Contract are calculated in calendar days. The Provision of the services shall start from the date of entry into force of the Contract.

ARTICLE I.3 – VALIDITY

Notwithstanding termination of the Contract, its provisions shall continue to bind the Parties in so far and for as long as may be necessary to give effect to their respective rights and obligations.

ARTICLE I.4 – CONTRACT PRICE

I.4.1 The fixed lump-sum total amount to be paid by the ITER Organization under the Contract shall be EUR [euros] excluding VAT, covering all services provided. The ITER Organization shall not accept liability for any expenditure beyond the aforementioned maximum amount.

ARTICLE I.8 – SAFETY AND SITE ACCESS

I.8.1. The Contractor shall be responsible for the observance by himself, his employees and subcontractors of all safety precautions necessary for their protection and the protection of any other persons, including all precautions required to be taken by or under or pursuant to any applicable legislation. For the avoidance of doubt this includes the ITER Organization Internal Regulations concerning Work, Health, Safety and Security for persons undertaking activities on the ITER Site (see Annex IV), the Contractor Safety Management Procedure related to ITER (see Annex V).

I.8.2. The Contractor shall adhere to the site access procedure when entering the ITER Site. The ITER Organization shall provide the Contractor with any necessary information and documentation for site access.

ARTICLE I.9 – OTHER SPECIAL CONDITIONS - CHANGES TO ITER GENERAL CONDITIONS FOR SERVICE CONTRACTS (2014). Except as specifically modified, all other terms, conditions and provisions of the articles remain unchanged.

I.9.1 Article 2 Law and language of the Contract
Is replaced by

The ITER Organization is governed by its constitutive agreements, the Agreement on the Establishment of the ITER International Fusion Energy Organization for the Joint Implementation of the ITER Project and the Agreement on the Privileges and Immunities of the ITER Organization both signed on 21 November 2006.

Without prejudice to the ITER Organization’s status, the contract shall be governed in accordance with its true meaning and effect. Subsidiarily, reference to French law shall be made for, and only for:

(i) the interpretation of a contract provision when such provision is ambiguous or unclear, in which case, such interpretation shall only be made for said provision, and not in respect of the contract as a whole; or

(ii) when specific provisions of French law are of overriding mandatory effect.

I.9.2 Article 33 Settlement of disputes
is replaced by

In the event of any dispute arising out of or in connection with the present Contract, the Parties agree to submit the matter to settlement proceedings under the International Chamber of Commerce dispute settlement mediation ADR Rules.

If the dispute has not been settled pursuant to the said Rules within 45 days following the filing of a Request for ADR or within such other period as the Parties may agree in writing, such dispute shall be finally settled under the Rules of Arbitration of the International Chamber of Commerce by one or more arbitrators appointed in accordance with the said Rules of Arbitration.
The arbitration proceedings shall take place in Paris, unless otherwise agreed by the parties. The language used shall be English.
