Date: 26 November 2019

Call for Expertise No IO/19/CFE/18393/NMX

Administration of the Manufacturing Database for Magnet Components

Dear Madam/Sir,

The ITER Organization intends to identify experts for the above task. The following documents are attached to allow experts (individual or companies) to propose their candidacy:
- Technical Specification Ref. ITER_D_2AT7YQ v1.0 Dated 8 October 2019
- Curriculum Vitae (template)
- Financial Proposal (template)
- Statement of exclusivity and availability
- Confidentiality commitment (to be signed upon contract award)
- General Conditions for ITER Organization Service Contracts (v 2014)

Contents of the expected proposal:
- Curriculum Vitae
- Financial proposal
- Statement of exclusivity and availability

Deadline for submission of proposals:
6th January 2020 at 17:00h CET

Address for submission of proposal (as one single pdf file)
Nicolas.mayaux@iter.org with Antoine.calmes@iter.org in copy.

Evaluation:
Proposals will be evaluated on the basis of best value for money (60% technical, evaluated against Section 11 - Specific Requirements and Conditions of the Technical Specification – 40% price).
The ITER Organization reserves the right to reject any proposal for expert which is not compliant with one of the minimum requirements as stated in Section 11 – Specific Requirements and Conditions of the Technical Specification.

Expected start date:
January 2020

Yours sincerely

Mr Antoine Calmes
